

2021 Spring Arborist Series

Sponsored by the Utah Community Forest Council and Provo City Power

Series Training Outline

Saturday, Feb 6
Saturday, March 13
Saturday, April 10

Lunch provided when
preregistered

Classes by Mike Bunnell
Held at Provo Power
251 West 800 North
Provo, UT

6 CEUs available per class
for ISA certified arborists

**All arborists should
have ISA Arborist
Certification to safely,
productively, and
properly care for trees.**

**Mike Bunnell, Seminar
Presenter**

Mike is currently the Urban Forester & Open Space Coordinator for South Jordan City. Mike is an ISA Certified Arborist and Tree Risk Assessment Qualified. He has a B.S. in Wildland Conservation and a M.S. in Biology - both from BYU. He was the recipient of the Utah Community Forest Council President's award in 2017. Mike is passionate about forestry research, teaching, and lifelong learning.

The focus of the Arborist Series is three-fold. First, to prepare Arborists aspiring to receive their ISA Certification. This is a great way to ensure that you are prepared for the ISA Arborist Certification Exam. Second, to give those interested in tree care more information and training. Third, provide Certified Arborists an opportunity to refresh their knowledge of arboriculture and obtain valuable continuing education units. **The course covers all chapters in the ISA study manual and will prepare prospective arborists to sit for the exam.**

February 6:
9am-3pm
